REMARKS

Applicant sincerely appreciates the thorough examination of the present application as evidenced by the Final Office Action of August 13, 2003 ("Final Action") and the Advisory Action. Applicant appreciates the Examiner's indication of allowable subject matter in Claims 10, 16-18 and 23-25. The claims have been amended above to place this case in form for allowance. In particular, Claim 1 has been amended to incorporate recitations from Claim 24 to place it in a form indicated as allowable. Claim 10 has been amended to place it in independent form including recitations from previously pending Claims 1 and 9. Claim 16 has been placed in independent form including recitations from previously pending Claims 1 and 2. Claims 23 and 25 have been placed in independent form including recitations from previously pending Claim 1. Claim 25 has been canceled in light of the amendments to Claim 1. Accordingly, Applicant respectfully submits that this case is now in form for allowance.

CONCLUSION

Applicant respectfully submits that, for the reasons discussed above, the references cited in the present rejections do not disclose or suggest the present invention as claimed. This amendment places the case in form for allowance and does not require any additional search. Accordingly, Applicant respectfully requests entry of this amendment after final, allowance of all the pending claims and passing this application to issue.

Respectfully submitted,
